LOGISTICS SOLUTIONS CC

logistics made easy

ABOUT US

*Nekkov Logistics Solutions CC was established with the vision to **connect people** through efficient cargo logistics.*

With **Nekkov Logistics Solutions** you can rest assured you have one of the leading Namibian freight forwarding companies taking care of all your logistics needs. We are committed to the safe and timely movement of cargo by ocean, air or road freight. Our specialised and highly experienced personnel support our capabilities in global transportation.

Nekkov Logistics Solutions is a 100% Namibian and privately owned, making it a totally independent company. This independence gives us the flexibility to source the best deals and services available to our customers, as we are not affiliated to any particular shipping lines or airlines.
